this 5th annual opportunity to fly to Italy  
and enjoy five full days in Tuscany with  
legendary tenor Andrea Bocelli and many  
of his celebrity friends.*

**W**e will base this incredible experience in the  
beautiful Four Seasons Hotel in Florence.  
Known as the "Jewel of the Renaissance,"  
Florence is filled with museums, palaces and churches,  
that are home to some of the most magnificent  
artistic treasures in the world. Let your senses be  
your guide as you journey from crowded town  
squares to tiny, tucked away bakeries; and take in  
centuries old art or fashions hot off the runway.

We will also visit the stunning coastal town of  
Porto Venere where we will be treated to a dinner  
and concert at the feet of the Church of St. Peter  
overlooking the Mediterranean. Plus, we have  
chartered a train to take us to ancient Verona for  
dinner and an opera concert in the Roman Arena  
di Verona!

Our guests in recent years have been joined by  
many celebrities including Queen Rania of Jordan,  
George Clooney, Sophia Loren, Sir Elton John,
